Re: International Business Machines Corporation v. Jeff Smith, Case No. 17-cv-5808-CS

Dear Judge Seibel:

Defendant Jeff Smith filed a redacted version of his proposed Findings of Fact and Conclusions of Law, Dkt. 64. Opposing counsel point out that while the document appears redacted, if a person downloaded it and then "copy and pasted" the redacted text in a different document, then that individual would be able to view the underlying redacted text. Accordingly, we respectfully request that Dkt. 64 be removed from the docket and replaced with the attached.

If the Court would like to discuss, we would be happy to do so.

Respectfully submitted,

Brandon J. Brigham

c: All Counsel of Record

The Clerk of Court is directed  
to strike Doc. 64.

Defendant should then refile the  
corrected document.

So Ordered.

Cathy Seibel, U.S.D.J.
